

DVD Imprint Template (Silkscreen)

NOTE: A white "flood" coat (doughnut) is recommended for four-color (full-color or CMYK) disc silkscreen printing or for disc decoration where closer color matching to a paper proof is desired. Choose the style that best fits your art from the diagrams shown here, or provide a custom-made flood to match:

SELECTION #:	DATE:	TECH:	TOTAL NUMBER OF COLORS
LABEL:	FILE NAME:		
ARTIST:	PO #:		
TITLE:	JOB #:		
DATE REVISED:	SEPARATOR:		
CREATOR:			

PMS #1	PMS #2	PMS #3	PMS #4	PMS #5

List PMS colors in the order they will be printed on the disc.
